Serving Our Customers For Over 35 Years…

“Large Enough to Serve You, Small Enough to Know You”

Phone: 972-657-0171  www.jonesxray.com
TERMS & CONDITIONS

• Net 30 days for approved accounts.
• New accounts may be opened on a Prepaid basis pending credit approval.
• Freight Charges are prepaid and added to the invoice.
• Invoiced shipping, handling, and insurance charges are $6.95 or greater, depending on actual freight costs.
• FOB Destination: Freight Prepaid and Added from Nashville, TN, USA, or other authorized location.
• In Tennessee, Sales Tax is billed unless a valid exemption certificate is on file with Techno-Aide at the time an order is placed (Required by Federal Law).
• International Customers: All terms and policies are governed by specific Pro Forma Invoice.
• For your convenience, we accept MasterCard, VISA, American Express and Discover for prepaid orders.
• PRICING: We reserve the right to change prices or discontinue products without notice, but only as a last resort.
• SPECIAL NOTE: Motor freight companies will not unload shipments to accounts who do not have a suitable commercial height receiving dock, nor will they unload large or heavy items to ground level. Many times, however, advanced arrangements for curb-side unloading can be made by facility personnel or the shipment can be made to your location for dealer delivery. For an additional charge and notification at the time of order, "Inside Delivery" or Cartage can be requested. The specifics of this service, however, are governed by your local freight terminal.

RETURN POLICY

• Products cannot be returned to Techno-Aide, for credit or otherwise, unless accompanied by a Return Authorization Number issued by the Customer Service Department.
• All authorized returns are subject to a minimum 20% refurbishing and reconsignment fee.
• All protective apparel returns are subject to a minimum 50% breakdown and restocking fee.
• All returns must be shipped in the original packaging.
• No returns 45 days past the invoice date will be allowed.
• Techno-Aide will authorize returns for complete credit in the case of Techno-Aide error or defective merchandise.
• A Credit Memo will be issued only after the returned merchandise has been received and inspected by Techno-Aide.
• No returns will be allowed for personalized, custom items or Designer Colors unless they are defective.
• Damages on returned items are the responsibility of the shipper. For proper credit to be considered, every effort should be made to assure a damage-free return.

DAMAGED GOODS POLICY

• The carrier has signed for receipt of merchandise from our factory and has accepted them in good condition.
• If your shipment arrives damaged or incomplete, it is the consignee's (ship-to) responsibility to note visible damage or shortages on the Bill of Lading BEFORE the carrier leaves. FAILURE TO NOTE ANY DISCREPANCIES ON THE BILL OF LADING WILL VOID ANY ATTEMPTED FREIGHT CLAIM and/or DELAY OR FORFEIT ANY CUSTOMER CREDIT.
• Techno-Aide will be glad to assist you by having an inspector from the carrier come to inspect the shipment and by working with you for any necessary replacements. Replacements are treated as separate orders, requiring their own purchase order number for billing. Any possible credits will be issued on the original order.
• Whether the damage is visible or concealed, KEEP ALL PACKAGING MATERIALS FOR THE CARRIER INSPECTOR.
• Reporting and inspection must be made within seven (7) days after delivery. Delayed reporting can delay or void the carrier's responsibility to pay your claim and negate any credit for freight damage from Techno-Aide.

FDA REGISTERED / Every batch of protective media is tested by an independent third-party health physics laboratory and actual attenuation figures reported.

**Tools for Scanning and Labeling Protective Apparel**

Stay one step ahead of the inspectors and enhance your QA! All new garments manufactured by Techno-Aide include a scanable QR Code Serial Number label for automated or manual tracking. However, we realize that you may have older, unlabeled garments or garments from another manufacturer. To update all your protective garments, we have designed this retrofit labeling kit so that your garments can be tracked utilizing the most up-to-date tracking technology available.

Protective Apparel Tracking and Inventory System!

www.apronhub.com
The exclusive online apparel tracking and inventory system from Techno-Aide.

All new Techno-Aide garments include a scannable QR code for automatic tracking. Upload garment data into your unique ApronHub portal for permanent inventory management. Receive alerts for inspection dates through a customizable format. Retrofit QR code tags onto your existing Techno-Aide or non-Techno-Aide garments. Track inspection history, location, user, etc., through a customizable reports menu. 2D Scanners are available through Techno-Aide or you can use your own 2D-scanner.

ApronHub has everything you need to quickly and easily meet the highest QA standards. For more information go to: www.apronhub.com today!
EZ-Guard

Buckle Closure

If you prefer buckle closure to regular hook & loop, add “-B” to any of the collar numbers above and add $5.00 to the price.
(Ex.: TYR-B would be $57.00)

All Attached Thyroid Collars include: Snap ring for easy collar attachment. Attach anytime with tethered strap. Unique 2-in-1 pocket design: store collar in one pocket and use other pocket for accessories.

Standard, No-Binding, and Mid-Binding collars are 6” tall x 6½” wide x 24” strap.

Select COLOR and FABRIC on page 25. Default color is Royal Blue except for Mammom Collar (Berry only).
Care-Guard
Pregnancy Apron

Special Protection for Fetal Care
Front Details: Front protection with flexible back straps. 1.0mm Pb equivalency over fetal area, 0.5mm over remaining area. 22” x 24” pregnancy panel can be removed at completion of pregnancy to create a standard Flex-Guard Apron with 0.5mm Pb equivalency protection. Hook & loop closure is fast and easy. Free dual pocket and shoulder pads.

Back Details: Complements the Front Apron for full protection. 0.25mm Pb equivalency. 1” buckle closure (long enough to tie) in front.

PROTECTIVE APPAREL

Child-Guard
Front Protection for Kids

EZ Fit, Front Protection
Front protection apron with buckle closure. 0.5mm Pb equiv. front protection. Shoulder Pads: concealed for comfort and durability. Ideal for our younger patients, creating safer and more secure protection than lead drapes or shields.

Kiddie Kovers
Kid-Friendly Protection

What makes Kiddie Kovers Unique:
Decrease anxiety and fear with a “hug” from a friendly buddy. All purpose lead blanket protects children from radiation. 0.5mm Pb equivalency protection (regular lead only). Protective panel is 18” x 18” and safe for all modalities.

Kids Lap/Semi-Guard
Half Apronette

Excellent protection for small patients. 0.5mm Pb equivalency protection. LAP uses 1” buckle closure and SEMI uses hook & loop.

Matching the Apron to You

Techno-Aide Sizing Charts are based on averages. But let’s face it… nobody is average! So, in order to get the Best Fit for You, please consider the following when measuring yourself for either a Standard or a Custom garment:

- **PROTECTION IS PRIMARY**: Why are you wearing an apron? Protection from radiation! Some companies promise lighter weight garments, but their garments just don’t measure up to proper specs. At Techno-Aide, we’re much more concerned about your health and safety. Comfort is important, and while our garments are comfortable, comfort will always take a back seat to protection. Isn’t that why you’re purchasing Protective Apparel?

- **CIRCUMFERENCE CONSIDERATIONS**: when measuring for a Front Protection Apron, measure from one side of the widest part of your body, around to the other side - the actual distance you want protected. Then, tell us if that measurement is your chest, tummy, or hips.

- **HEIGHT CONSIDERATIONS**: in relation to your circumference, do you have a long or short torso? We want to make sure that you are adequately protected!
Getting the Best-Fit

If you don't think that our standard sized garments will fit you properly, we are pleased to offer you the chance to create your own size, to fit your specific body measurements. Just complete the form below and we will create your customized protective wear. Please note, that due to the nature of customized apparel, these garments cannot be returned. Please be accurate. Thanks!

NAME ____________________________ FACILITY ____________________________
ADDRESS 1 ____________________________ ADDRESS 2 ____________________________
CITY ____________________________ STATE __________ ZIP __________
DAYTIME PHONE ____________________________ EMAIL ____________________________

APRON CAT.# ____________________________ DESCRIPTION ____________________________ LEAD TYPE ____________________________

ADD ATTACHED THYROID COLLAR? YES NO CAT.# ____________________________ (COLOR WILL MATCH APRON)

Getting Accurate Measurements (all in inches)

**BUST/CHEST:** ____________________________
Circumference around the widest part of your chest.

**SIDE-to-SIDE:** ____________________________
The widest part of your body that you want covered by a Front Protection Apron. Please specify the this area (circle): chest / tummy / hips

**WAIST:** ____________________________
Standard Apron: measure your waistline. Skirt/Kilt: measure where you want the skirt/kilt top (may be higher than your regular waistline).

**HIP:** ____________________________
Circumference around the widest part of your hips.

**LENGTH:** ____________________________
FRONT APRON or WRAP-AROUND:________________
Sternal notch to just above the knee.

VEST/TORSO:________________
Sternal Notch to desired length below your waist.

SKIRT/KILT: ____________________________
Desired skirt/kilt top (may be above your regular waistline) to just above your knee.
Embroidery Sewn-In
Selected garments come with first line FREE embroidery! Add flexibility with an embroidered patch. Please specify what you want embroidered and which type style you prefer (see below). Embroidered items are non-returnable, non-refundable.

First Line up to 24-Letters: FREE!

![Embroidery Example](image)

Select a Style:
- ALL CAPS (default)
- Block
- Script

Additional lines up to 24-letters: $10.00

Embroidery Add-On Patch
This flexible option has your information embroidered onto a patch. Hook & Loop on the back of the patch and on the garment secure the patch in place.

#EMP (Patch) $18.00

![Embroidery Patch Example](image)

Accent Colors
Optional BOUNDING Colors:
- Black (default)
- Lt. Gray (default)
- Navy
- Royal Blue
- NEW!

(The black or gray stripe on each fabric square is the default binding color for that fabric.)

Optional EMBROIDERY Colors:
- White (default)
- Black (default)
- Lt. Gray
- Charcoal
- Royal Blue
- Red
- Yellow
- Orange
- Tan
- Brown

Things to Remember
CARE AND MAINTENANCE:
Always hang your garment on large diameter hangers. Do not wad or fold your garment, as that may weaken the level of protection on the folded seam. Do not store sharp objects in the pockets or store the garment on top of a sharp object.

WARRANTY:
Two-Year Warranty on materials and workmanship.

Shoulder Strap (FREE Option!)

#EMS
$-No Charge!

Simply ask for it with your order. Hook & loop Strap is attached to one shoulder and reaches across to the other. Helps keep shoulders high and comfortable.

Recycle
Techno-Aide will gladly accept your old, leaded Techno-Aide Brand aprons for recycling. Call for a “Recycle Return Authorization.” There will be no charge to you; we only ask that you pay for your own shipping. “Lead-Free” apparel is environmentally friendly and does not need to be recycled.

Viewing Window Barriers

Bring a full 2.0mm Pb Equivalency of radiation protection anywhere you need it with our x-ray protective mobile barriers.

Each Barrier features:
- 10"w x 12"h clear window made of x-ray protective leaded glass; Window center is 60" from the bottom of the panel. Opaque barrier section is made of solid, leaded x-ray protection;
- Locking caster system for easy mobility (it is recommended that two people move the barrier for safety); Crated for secure shipment. NOTE: 84” barriers may not fit through some doorways.

TECHNO-SHIELD MOBILE BARRIERS

Viewing Panel Barriers

Bring a full 2.0mm Pb Equivalency of radiation protection anywhere you need it with our x-ray protective mobile barriers.

Each Barrier features:
- Transparent/clear upper section of x-ray protective leaded glass;
- Opaque lower section of solid, leaded x-ray protection;
- Locking caster system for easy mobility (it is recommended that two people move the barrier for safety);
- Crated for secure shipment.

A mobile barrier should offer greater protection than an apron. Techno-Shield provides 2.0mm Pb Equivalency protection!
Standard Shield

0.5mm Pb equivalency. Adjustable height: 36” to 60”. Stable, five-legged star base. Default color: royal blue.

Lead-Lined Wall Bin

Protect your investment when plates are not in use. Solid steel construction with vinyl-lead lining. Provides 1.0mm Pb Equivalency shielding. Specifically designed for receptor plates. Opening is 22”w x 5”d x 14”h.

Lead-Lined Table-Top Bin

Store multiple receptors without worry of scatter radiation. 14-gauge welded steel construction with vinyl-lead lining. Provides 1.0mm Pb Equivalency shielding from scatter. Bumper guards protect receptors from impact damage. Opening is 16”w x 19”d x 20”h.

Lead-Lined with shielded body.

| #CPH-LL12 | $1585.00 |

Unit above with shielded door:

| #CPH-LD12 | $2095.00 |

Wall Bin overall size:

22”w x 5¾”d x 22”h

Shipping weight: 25 lbs.
Mobile CR/DR/Film Image Receptor Holders

**ALL MOBILE UNITS INCLUDE:**
Vertical range from bottom of image receptor: floor-to-54”. Posi-Lock height adjustable arm with spring-loaded pin. Features 60” chromed steel post. 24” H-Base with locking casters. Broad base prevents tipping. Platinum baked enamel finish. 1⅛” deep channels accept grids and caps. Units ship in two cartons: 1@15#, 1@45#.

**Tilt & Rotate**
Range of Motion:
- Straight Vertical
- Incline Forward
- Incline Backward
- Rotate or Oblique Tilt
- Face Up
- Face Down
- Anywhere in Between

**Ordering Guide:**
- **SERIES-B (Vertical Clamp)**
  - height limit up to 20”
  - no width limit
- **SERIES-C (Bilateral Clamps)**
  - no height limit
  - width limit 13½” to 20½”

**WEIGHT LIMITS:**
- MCH-33/MCH-37 up to 12-lbs.
- MCH-40 up to 22-lbs.

**Tabletop Lateral Cassette/CR-DR Receptor Holders**
Accepts grids and caps (channel is 1⅛”d). Upper and lower channels slide on 24” post. Holds receptors up to 24” inches tall. Base plate slides under patient or pad. 35LCH upper channel includes a R & L marker. 40LDH features an upper channel that fits into handle and an extra large base for stability. Upper and lower channels are lined with no-skid vinyl. Shipping weight: 35LCH @ 7 lbs / 40LDH @ 9 lbs.

24” Variable Height CR-Plate/Cassette Holder #35LCH $230.00

24” Variable Height DR-Plate Holder #40LDH $265.00
Mobile Tilt & Rotate Image Receptor Holders

Standard arm length provides maximum stability. 

Fully articulating holder for Film / CR / Light DR receptors.  

*Weight limit for both Series-B and Series-C is 12-lbs.*  

See additional specs on page 32.

**SERIES-B**

#MCH-33B

$1150.00

**SERIES-C**

#MCH-33C

$1150.00
Mobile Non-Tilt, Non-Rotate Holder for Heavy Receptors

Features a fixed position holder (non-articulating) for stability of heavier receptors. 

*Weight limit for both Series-B and Series-C is 22-lbs.*

See additional specs on page 32.
Mobile Tilt & Rotate Extending Arm Receptor Holders

Extends image receptors 11” to 23” from post. See additional specs on page 32. Heavy DR receptors may pose a tipping risk when fully extended. Extended weight limit for both Series-B and Series-C is 12-lbs.

SERIES-B
#MCH-37B
$1195.00

SERIES-C
#MCH-37C
$1195.00
AP Weight Bearing Receptor Protectors

Provides supportive platform when patient is required to stand on the receptor. Accommodates DR, CR, and analog panels. Supports patients up to 800-lbs. Frame is resilient aluminum with a clear polycarbonate support surface. Includes an easy-lift handle.

Weight Bearing Receptor Holder

Economical solution for weight bearing examinations. Crosslink closed cell foam is coated for durability and easy cleaning. Overall size: 17½” x 11½” x 4”.

Cat.#YCW
$99.00
Panel Protectors

Protect your investment with our DR Panel Protectors. Each protector contains three layers of your choice of impact-resistant material or carbon fiber for increased weight capacity. These protectors are designed for both tethered and wireless panels, and also include custom utility ports. Includes rounded corners for safe handling and the patented positive lock mechanism to prevent accidental panel pop-outs. Lightweight design makes for easy carrying and one-handed operation.

MRI Earplugs

Economical protection. Latex-free. Use w/ headset or alone. Bulk packaged as 1000 pcs.

NRR: 29db
#MBE-29
$185.00

NRR: 33db
#MBE-33
$170.00

Metal Detector

Save patients and staff from embarrassing and hazardous situations. Features large scan surface w/ sensitivity reduction switch. Ships @ 15 lbs, UPS/FedEx.

#MBM-MD
$325.00
MRI Transfer Boards

Allow safe and efficient transfer of patients for general imaging, MRI, and CT. Durable, semi-rigid, slick material makes positioning under the patient easy. Transfer boards are radiolucent can be used in the imaging field. Conveniently located 1½” x 4½” hand-holds allow optimal movement. Regular Boards are made of ¾” thick HDPE (high density polyethylene). Regular board color is white. Transfer boards ship at OverSize rates.

MRI Non-Ferromagnetic Sandbags

Custom upholstered sandbags with supportive handles help with patient positioning. Non-ferrous, non-magnetic, MRI Safe bags come in five weights in order to provide the ideal set-up. Order individual bags or one set that includes one of each size bag for a total of five bags.
Revolutionary Design Minimizes Ghosting and Line Artifacts!

Stealth-Core™ sponges have been designed with unique angles to offer artifact-free viewing and increased stability.

Stealth-Cote™ sponges include a proprietary coating to add cleanability and durability to every sponge and includes antimicrobial protection. (The Stealth-Core™ and Stealth-Cote™ sponges are Patent Pending.)

Stealth Rectangle Positioning Sponges

Overall dimensions: width X length X height.
May be larger than traditional style.

*(YKBA uses the high-density bariatric foam as standard.)*

*(YSPA does NOT include the rectangle shown in the YKPA.)*
Coated-Only Specialty Sponge Kits
Overall dimensions: width X length X height.

#YSCT
$656.00
CT IMAGING KIT 1
Coated Kit includes:
- 45º Wedge YCBB
- 45º Wedge YCBC
- (2) 34º Wedges YCBE
- 27º Wedge YCBF
- 21º Wedge YCBG
- (2) 15º Wedges YCBI
- (2) 12º Wedges YCBJ
- CT Headrest YCBW

#YSCT2
$715.00
CT IMAGING KIT 2
Coated Kit includes:
- CT Knee Wedge YCAJ
- Adult Head Immobilizer YCAP
- (2) 34º Wedges YCBE
- (2) 12º Wedges YCBJ
- CT Headrest YCBW

#YSCT3
$795.00
CT IMAGING KIT 3
Coated Kit includes:
- CT Knee Wedge YCAJ
- Adult Head Immobilizer YCAP
- CT/Cath Lab Headrest YCET
- Convertible CT Headrest YCEV

#YSCT4
$650.00
CT IMAGING KIT 4
Coated Kit includes:
- CT Knee Wedge YCAJ
- 45º Wedge YCBB
- 27º Wedge YCBF
- 21º Wedge YCBG
- (2) 16º Wedges YCBH
- (2) 12º Wedges YCBJ
- 45º Spinal Wedge YCFD

#YSRC
$496.00
ULTRASOUND KIT
Coated Kit includes:
- (10) Rectangles YCBL

#YSAS
$299.00
KNEE ARTHROPLASTY STRESS ASSEMBLY KIT
Coated Kit includes:
- 45º Wedge (9x24x9)
- Contoured Cube (11x9x6)

#YSRD
$570.00
GENERAL / PERINEAL KIT
Coated Kit includes:
- Angular Bolster YCAY
- 45º Echocardiography Wedge YCEE
- Endo-Ultrasound Wedge YCUZ

#YSU8
$315.00
ULTRASOUND: BREAST OR PARACENTESIS
Coated Kit includes:
- 21º Wedge YCBG
- 30º-60º-90º Multi-Angle Wedge YCBU
- 45º Spinal Wedge YCFD
## Vinyl-Covered Bolster Blocks & Kits

Reusable blocks, bolsters, and wedges are manufactured from firm, high-density urethane foam. Royal Blue outer covering is durable, heavy gauge, reinforced vinyl. Seams are sewn and tear resistant. Easy to clean Bolsters are RADIOLUCENT, however, the seams may show. Provides excellent support for a wide variety of imaging needs.

$410.00

#YVF41
Stretcher/Wheelchair Bolster
16” x 23” x 4.5”
$495.00

#TBC-2214
Lateral Decubitus Positioner Kit
Pad: 20” x 13” x 3”
$549.00

#YVWS
Curved Wheelchair Chest Bolster
18” x 20” x 5”
$250.00

This KIT includes a 90º support with hook and loop stability straps and a YVFK decubitus bolster to aid in cross lateral examinations. The pad assures the patient is elevated into the imaging field.

The YVWS and the YVF41 (sold separately) are both designed to be perfect for chest x-ray positioning of wheelchair patients.

#TI-SET  $575.00
DEXA Positioning Kit
KIT includes:
(1) “A” Frame Foot Splint
(1) YVFJ Head Bolster (8” x 12” x 3”)
(1) YVFQ Leg Bolster (20” x 20” x 12”)

The large bolster aids in positioning the AP lumbar spine. The small head bolster and 15° “A” frame splint lock the feet into position to abduct both legs to hold full extension at the knees and hips.
MRI Positioners

Unique visco-elastic material molds to patient's body shape and conforms to table platform. Meets specific requirements for MRI compatibility and safety with excellent radiolucent qualities. Antimicrobial cover with anti-slip undersurface - easy to clean and maintain.

Highest Quality Solution for Patient Comfort and Safety for all MRI Exams!

Burn Pads (4 kits available)
POSITIONING

GEL Patient Positioners

Radiolucent Gel Pads aid in pressure distribution without bottoming out. These pads are made of a solid, non-conductive, cross lined polymer that will not leak, ooze, or evaporate and is resistant to punctures and tears. Each antimicrobial, anti-bacterial pad is hypoallergenic, latex-free, silicone-free, and plasticizer-free, and will not harden over time. Following the instructions, the pads can be heated and cooled. Note: 0.25” thick gel is equivalent to .051mm Aluminum.

Used with toboggan positioner to protect patients’ arms and legs during OR procedures.

TRAPEZOID POSITIONER

7” x 10” x 3”
#YG-3035
$197.00

Used for leg separation. Can be used as a knee stabilizer or under the feet to prevent foot drop.

HEEL CUP-PROTECTOR

#YG-4004
$73.00

Helps relieve heel pressure in supine position. Provides for even distribution of weight on the foot and ankle.
GEL Patient Positioners

Cradles and supports head and allows clear air passage.

</table>

Extremely versatile positioners are soft on the surface, but firm inside where it counts. Each sandbag provides exceptional patient support as well as increased patient stability.

**Sandbags**

All sandbags are filled with sand and are ready to use. Heat sealed inner sleeve prevents the leakage of sand. All seams are sewn and tear resistant. Deep green outer cover is heavy gauge, reinforced vinyl. Every sandbag includes a reinforced webbing handle.

Transfer Boards

Allows safe and efficient transfer of patients for general imaging, MRI, and CT. Durable, semi-rigid, slick material makes positioning under the patient easy. Transfer boards are radiolucent can be used in the imaging field. Conveniently located 1½” x 4½” hand-holds allow optimal movement. Regular Boards are made of ” thick HDPE (high density polyethylene). Regular board color is white. Transfer boards ship at OverSize rates.

REGULAR BOARDS

| #TBS-2372     | Qty 1-4: $185.00 ea. Qty 5-9: $160.00 ea. Qty 10+: $135.00 ea. |
| #TBN-1872     | Qty 1-4: $165.00 ea. Qty 5-9: $150.00 ea. Qty 10+: $135.00 ea. |
| #TBB-3272     | Qty 1-4: $235.00 ea. Qty 5-9: $220.00 ea. Qty 10+: $195.00 ea. |

ANTI-STATIC BOARDS

Anti-static boards are made of UHMW (ultra high molecular weight polyethylene). Anti-static boards are black. Standard, Narrow, and Bariatric boards ship at OverSize rates.

| #TBH-2332     | $90.00 ea. |
| #TBS-2372AS   | standard/half $305.00 |
| #TBN-1872AS   | narrow $285.00 |
| #TBB-3272AS   | bariatric $560.00 |
| #TBN-1872AS   | half-size $150.00 |

Engraved Transfer Option

Personalize your transfer boards for your facility. Each board can be engraved with your name, phone number, etc. to make sure your boards come back to YOU! (call for pricing)

Board Wall Rack

#TBR-2P
$53.00

Two 6” pegs are angled to keep board from slipping. Mounting holes are on vertical centers. Steel with white enamel. Ships @ 4 lbs.

Lifting Straps

#TBS-ST2
$30.00/pair

Convenient nylon straps loop through hand-holds. Provides better grip. Provides extra length for better reach. Ships @ 1 lb.

Restraint Straps

Super strong 2” nylon webbing. Secure snap buckle closure.

| #TBR-S72     | 72” standard/half $35.00 |
| #TBR-N60     | 60” narrow $30.00  |
| #TBR-B90     | 90” bariatric $40.00  |
**Portable Blanket Warmer Bags**

Holds 2-3 Blankets  
#BWS-03  
$475.00 ea.

Holds 4-5 Blankets  
#BWS-05  
$515.00 ea.

Holds 6-7 Blankets  
#BWS-07  
$545.00 ea.

Designed for radiology, surgery, outpatient, ER and EMS, these specially insulated blanket warmers keep warmed blankets warm. The durable and washable nylon exterior bag features a handy hook and loop closing flap. The removable interior heating elements keep the temperature at a steady 130° - 140°F when plugged into an optional, low voltage power supply (12vDC, <50w adapters sold separately). These lightweight and portable bags are designed and assembled in the USA and come with a 1-year warranty.

**Blanket Warmer Cabinets**

Designed for radiology departments, interventional suites, ER and OR, mammography, ultrasound, CT outpatient clinics and surgery centers, these stainless steel blanket warmers are adjustable from 98° to 180°F (37° to 82°C) with the help of an intelligent 4-digit LED controller. With no moving parts and an audio-visual temperature alarm, these heavy duty units are designed for safety and built to last. All three units come with hospital grade power cords and the two larger units include locking casters. Operational at either 120VAC or 220VAC, all three units are UL & CSA approved.

**Countertop Unit**

Holds 7 bed sized blankets.  
16” x 24” x 20”  
70 lbs.  
#BW-210  
(call for price)

**Short Cabinet**

Holds 25 bed sized blankets.  
22” x 29” x 40”  
170 lbs.  
#BW-710  
(call for price)

**Tall Cabinet**

Holds 50 bed sized blankets.  
22” x 29” x 70”  
350 lbs.  
#BW-1400  
(call for price)

All blanket warmer bags are IEC 60601-1 Medical Accessory Compliant.
**Leg Support**
Safely supports and positions patient leg. Easy to use Posi-Lock height adjustment. Lift height range: 14½” to 19”. 6½” x 9½” calf support comes with nylon covered pad. All steel frame with sturdy 9” x 12” base. Shipping weight: 14 lbs.

#LGS-09  
$495.00

**Bariatric Leg Support**
Same as LGS-09, except: Extra large 15” x 18” base. Shipping weight: 19 lbs.

#LGS-B11  
$535.00

Provides true 90º Lateral View of Hip. Unobstructed Femoral Head and Neck.

**Lateral Chest Support**
Height adjustable bar provides stability for patients of almost every height. Helps reduce re-takes. Cast aluminum base easily mounts to the wall. Repositionable aluminum bar is comfortable to grip.

#RLC-36 (36” tall support)  
$1090.00

#RLC-48 (48” tall support)  
$1185.00

**Caliper**
Accurately measures body thickness to be x-rayed, up to 21” in depth. Calibrated in both inches and cm. Made of durable aluminum. 1” wide x 21¼” tall x 10½” leg. Ships @ 1 lb.

#CAL-21  
$57.00

**Head Immobilizer**
Safely supports and positions patient head. Solid steel angles with soft, vinyl covered cushions. Blocks with handles weigh 15-lbs each. Cushions: 8”w x 6”h x 3”d. Shipping weight: 32 lbs.

#RHI-AB  
$250.00

**Head Paddles**
Ideal for a designated person to keep patient’s head comfortable and steady. Rigid vinyl discs with comfort-grip handles. Coated foam cushions: 7” dia. x 1½” thick. Shipping weight: 4 lbs.

#RHI-CP  
$84.00

(Edges may appear on images using low kVp.)
Radiolucent Immobilizer Strap

Comfortably secures patient position and eliminates motion. Helps prevent patient falls without limiting respiration or circulation. Ideal for MRI, CT, and Radiology dept. Available in 3 widths and 5 length for a variety of patients and tables. Strap is heavy gauge reinforced vinyl. Fast and easy hook and loop closure. Easy to remove in case of emergency.

Universal Restraint

Universal clamp fits most imaging tables. 6" x 52" or 10" x 72" nylon strap firmly and comfortably holds the patient to the table with hook and loop closure. Brackets are stainless steel for long life.

Elastic Extremity Immobilizer

6" wide strap is designed for superior stability. Strap extensions then cross over patient where they are secured with “hook” and “loop” closure. Three standard lengths; custom available.

Traction Straps

MANUAL #RDT-HN $99.00
Straightening the legs easily applies traction. Hook and loop hand-hold straps provide secure grip.

AUTOMATIC #RDT-SH $160.00
Primarily for elderly or unconscious patients. Rigid foot plate provides stable, steady support.
Mammography Biopsy Chair

Ideal for use as a procedural chair or treatment table. The chair’s versatility allows it to be used for pre-induction, transport, treatment, and recovery. Easy controls from either side of the chair allow height adjustment for optimal patient positioning. Seat height ranges from 23.5” to 31.5”. Premium 5” Tente casters make for easy maneuvering. Backrest and leg section adjust from 90° upright to full spine, and 10° Trendelenburg. Features fold-down handrails and 3” comfort mattress. Weight capacity: 325 lbs.

Video Fluoroscopic Chair

Ideal solution for radiology, mammography, and transport. Specially designed back has removable section to accommodate the space confinements of large imaging equipment. Easy controls allow height adjustment and full swivel for perfect patient positioning. Seat height range: 23.5” to 31.5”. Premium 5” Tente casters make for easy maneuvering. Backrest and leg section adjust from 90° upright to full spine, and 10° Trendelenburg. Features a removable back section and 3” comfort mattress.
**Defecogram Chair**

Designed for use for patients with evacuation dysfunction. Defecography is a dynamic radiological examination that produces an anatomical depiction of the changes in the rectum and anal canal, and provides physicians with functional information about the movements of the pelvic floor at rest, during voluntary contraction, and with defecation. The chair allows radiography of a patient's bowel movement in radiology, rather than the more costly MRI/CT.

300-lb capacity unit includes locking casters, removable 10-qt basin, wrap around skirt for basin modesty, and a 9” raised heel support. Manufactured of Schedule 40 1¼” healthcare-grade PVC, this chair is non-returnable and offers a one-year warranty. Made in USA.

Cat.# CRH-DFC  
$2500.00

**CT EZ-Positioner**

Reduce distorted images from patient movement with this radiolucent positioner. Slide beneath the patient or strap it to the table in order to provide a platform with which the patient can comfortably use the hand-holds to keep their arms positioned over their heads for prolonged examinations.

The EZ-Positioner will not compromise IV lines and works well for patients undergoing needle biopsies and drainages.

5½” hand holds will accommodate most patient positions. The unit is 14” wide x 28” long.

Cat.# CT-EZ1  
$550.00
Sterile Equipment Drapes

Take the guesswork out of selecting the correct sterile drape for your specific model C-Arm. Let us know which system you have and place your order. Our range of our drapes have been form-fitted for C-Arms to cover the image intensifier, x-ray tube, and flex arm, helping you eliminate the frustration and time of buying the wrong drape. Each drape is manufactured from 2 mil clear polyethylene and is latex-free. Each drape is designed to be durable and budget-friendly.

cat. #   description                                                                                     qty  price
TA-4002 Elastic-end drape for Mini-C-arms: Officemate, 40  $490.00

  $49.00/case

**Extrasize Exam Gown**
Open sides w/ties. Tissue/poly/tissue.
Size: 40” x 50”. Color: BLUE. 25 per case.

  Size: XL
  #GXS-57
  $122.00/case

**Stretcher Sheets**
Soft and water resistant.
2-ply tissue/poly. Size: 40” x 90”. Color: WHITE/BLUE.
50 sheets per case.

  #GSS-49
  $66.00/case

**Pillow Cases**
Soft and water resistant.
2-ply tissue/poly. Size: 21” x 30”. Color: BLUE. 100 cases per case.

  #GPC-23
  $59.00/case
**True Wipes**
A new standard for Lint-Free Wipes

Having passed the USP-797 clean environment testing, True-Wipes are ideal for lint-free cleaning of: CR/DR/CT/mammography screens, x-ray cassettes, work stations, PACS monitors, microscopes, lenses and general work surfaces. These highly absorbent 9” x 9” lint-free wipes can be used with screen cleaner, alcohol, bleach, and peroxide to clean and disinfect. Wipes are packaged in a resealable double bag to avoid contamination from typical box dispensers. Reinforces your vital QA standards.

#TW-200  (200 total wipes)
$55.00/bag

---

**SANI-CLOTH® AF3 Alcohol-Free Wipes**

Contains an excellent range of effectiveness. Cleans, disinfects, deodorizes & fragrance-free. Alcohol content: ALCOHOL-FREE (less than 0.016%). Recommended Contact Time: 3-minutes or less. Commonly used for MAMMOGRAPHY, ULTRASOUND and most other IMAGING EQUIPMENT. PLUS daily use items like table pads, sandbags, coated sponges, transfer boards, aprons, shields, vinyal straps... you name it. Meets CDC, OSHA and CMS Tag F441 guidelines.

**Portable Medication Vial Holder**

Shield your team from unintentional needle sticks associated with drawing up medication. Hand-held portable gripper protects the hands of individuals holding vials and provides a real-time safety checklist, while allowing the labels and expiration dates to be displayed without obstruction. Unique design allows product to securely and reliably hold varying sizes of vials.

#PMVH-01
$79.00
Radiation Badge Storage Boards

Provides a central location for all badge related activity. Exposure record display area and note clip. Accommodates different styles and sizes of badges. Ring board is also available for Nuclear Medicine and PET.

Merrill’s Pocket Guide to Radiography, 13th Edition

Quick reference, soft cover spiral. Ideal for the clinical setting. Step-by-step illustrations for positioning 200 of the most common projections. Unique digital radiography reference radiographs. Handy technique chart for every projection, with manual and AEC techniques. 4⅞” x 7¼”, ships @ 1 lb.

#BK-MPGR $66.00
**MARKERS**

**Elite Style**

Elite markers have the most DURABLE aluminum casing. RED for “R” markers and misc. words / BLUE for “L” markers. Provides the best in QC!

**REFERENCE:** Merrill’s Atlas of Radiographic Positioning and Procedures, 9780323073219, text extract, “Each radiograph must include an appropriate marker that clearly identifies the patient’s right (R) or Left (L) side. Medico-legal requirements mandate that these markers be present. R and L markers must be used with CR and DR digital imaging. The development of digital imaging and the use of CR and DR have enabled an environment in which the R and L markers can be placed on the image electronically. This is not recommended because of the great potential for error and legal implications. Anatomic markers should be placed on the CR cassette or DR table similar to screen-film cassettes.”

**Position Indicator Markers**

Beads Indicate Patient Position

The patent pending radiolucent sphere holder and a size indicator sphere come together to allow perfect visibility of the sphere on the image as taken from any direction. A millimeter marker on the sphere holder indicates the size of the sphere that is being used.

The suction cup base allows the unit to be firmly secured to a flat table or a vertical wall bucky board that is close to the patient. The small footprint of the suction cup does not interfere with the patient, the technologist, nor limit its use.

The flexible gooseneck arm is perfect for positioning the calibration sphere as close as possible to the critical anatomy. The arm is covered with a smooth, crevice-free surface that allows for easy sanitation.

The autoclavable unit comes with the suction stand and one calibration sphere. Additional spheres can be bought separately in packs of six (6).

**Full unit with 25mm sphere**  
#A25DR $645.00/ea.

**Full unit with 25.4mm (1-inch) sphere**  
#A24DR $645.00/ea.

**Full unit with 30mm sphere**  
#A30DR $695.00/ea.

**Replacement 25mm sphere (set of 6)**  
#S25DR $240.00/set

**Replacement 25.4mm sphere (set of 6)**  
#S24DR $240.00/set

**Replacement 30mm sphere (set of 6)**  
#S30DR $575.00/set

Sphere easily slides in and out of socket.
**MARKERS**

**CM Ruler Markers**

The personalized R & L marker sets or the stand alone 3cm ruler are specifically designed for Teleradiology, CR and DR Imaging, where the image-size does not always match the life-size anatomy. Place a marker on the Receptor Plate and capture the radiographed anatomy. The image of the unique 3cm ruler gives an immediate visual and measureable cue as to the size of the screen image compared to the life size anatomy. Each marker has a lead 3cm ruler. Color coded: L-Blue, R-Red. High density lead characters.

**Wafer-Thin Digital Imaging Markers**

Perfect for equipment (CR, DR, etc.) with very thin bucky clearance. Exceptionally thin markers: <3/32" (2mm). Copper filtered for a broad range of KV. Elite style and color-coded.

*Super Thin for Slim Bucky Clearance*

**Radi-O-Paque Extremity Rulers**

Sturdy 1¼"wide x ½"thick. High density lead letters. Brilliant YELLOW color. Spaced in 0.5cm increments.

</table>

Easy-Peel, adhesive-free tabs allow comfortable removal of the marker.
**Digital Mammography Skin Markers**

- **Digital Dot**
  - Lead-free nipple identifier.
  - Highlights areas of interest for digital and analog imaging. Easy-Peel tab.
  - Cat. # SDM-BB23
  - BB size 2.3mm
  - 1-5 bx $66.00, 6-14 bx $63.00, 15+ bx $60.00

- **Digital Strip**
  - Lead-free nipple identifier.
  - Ideal for larger, more prominent nipples. Adhesive-free nipple zone.
  - Cat. # SDM-NS23
  - BB size 2.3mm
  - 1-5 bx $70.00, 6-14 bx $67.00, 15+ bx $65.00

**CT Skin Markers**

- **CT Dot: 2.3mm**
  - Lead-free 2.3mm marker.
  - Highlights areas of interest for Radiology and CT. Easy-Peel tab.
  - Cat. # SDM-CT1
  - BB size 2.3mm
  - 1-5 bx $89.00, 6-14 bx $84.00, 15+ bx $80.00

- **CT Dot: 4.0mm**
  - Lead-free 4.0mm marker.
  - Highlights areas of interest for Radiology and CT. Easy-Peel tab.
  - Cat. # SDM-CT2
  - BB size 4.0mm
  - 1-5 bx $89.00, 6-14 bx $84.00, 15+ bx $80.00

**Multi-Modality Skin Markers**

- **Nuclear Med /PET**
  - 2mm center hole suitable for injection of radioisotope.
  - Highlights areas of interest for Nuc. Med., PET, CT and MRI.
  - Cat. # MM3003
  - BB size 5.0mm
  - 1-5 bx $249.00, 6-14 bx $244.00, 15+ bx $239.00

- **Therapy / Radiology**
  - 2mm center hole suitable for conventional hypodermic needle.
  - Highlights areas of interest for Oncology and Radiology.
  - Cat. # MM3005
  - BB size 5.0mm
  - 1-5 bx $205.00, 6-14 bx $200.00, 15+ bx $195.00

- **CT / MRI**
  - No center hole; appears as bright object on CT and MRI scans. Also highlights areas of interest for radiology and mammography.
  - Cat. # MM3007
  - BB size solid, no hole
  - 1-5 bx $240.00, 6-14 bx $235.00, 15+ bx $230.00

**Economy Nipple-Artifact Markers**

Encapsulated 2mm lead ball. Used to mark nipple, lesion, scar, artifact, etc. Neutral color, peel-off, self-adhesive backing. Non-sterile. 100 markers mounted on ten convenient strips.

(This product contains lead.)

#LNA-20
$50.00
**Lead Characters**

If you have any questions about the size characters you need or are looking for additional sizes and styles, please call our customer service department, or mail us a sample so that we may send you exactly what you’re looking for.

FILING SYSTEMS

Techno-Tuff™ X-Ray Filing Cabinets
The industry standard cabinets for ARCHIVE or ACTIVE film storage. Fully assembled, tough, and versatile.

Pleasing, aesthetic design. All steel construction offers maximum strength. Solid back and side panels for security. 15⅜" vertical shelf clearance. 12-gauge corner posts for vertical strength. Dividers are 6" apart. Full height dividers add vertical strength and stability. Full depth dividers prevent snagging and ripping of jackets. Available in seven (7) colors (see color chart).

*IMPORTANT NOTE about Bases and Stackers:
All units are shipped as Base Units which include a 3" dustplate, with the exception of the 631XST single-tier unit. This unit is shipped as a Stacker at 17" tall without a dustplate, unless a Base Unit at 20" tall is specified. Stackable units are secured with nuts & bolts.

Only available on the 632XST. Flush-mounted paddle handles. Locks offer attractive security. Heavy duty construction.

#DR632XST 36" x 18" x 36"
$840.00 Ships @ 170 lbs.

SPECIAL NOTE ABOUT MOTOR FREIGHT:
Please provide information about your receiving area to determine standard or special delivery requirements. Trucking companies will not unload shipments to accounts who do not have a commercial height receiving dock. In most other circumstances, however, special arrangements can be made available at a reasonable extra freight charge.

**Fusion-Lift**

NO Assembly! NO Tools! Right out of the box you’re ready to convert your existing desk into a Sit-to-Stand desk!
The Upper Desk is 35¾” x 15¾” and will raise your workspace to a height of 20” with infinite height adjustments throughout its vertical range. The Keyboard surface is 26¼” x 13” and provides an ergonomic +/-10º tilt. Smooth, gas-assist movement offers a weight capacity of 35-lbs. Easily mobile at only 40-lbs.

#ZKDR-FL  
$395.00

**Trackless Keyboard Support**

Spring assisted height adjustment. 5¾” height adjustment on a trackless direct mount plate: -1¼” to -7” under the surface. +10º to -15º tilt and 360-degree swivel. 19½” wide platform accommodates keyboard. Mouse platform can be placed on either side of the keyboard. Integrated gel palm rest.

#ZKKV-TLS1  
$299.00

**Cable Management Channels**

Pair of 24” “J” channels accommodate multiple cables and wires. Cables are quickly and conveniently stuffed into the channels for out-of-sight capture. Easily installs to the underside of desk with self-adhesive strips or screws (included).

#ZACM-CC  
$44.00/pair

**Universal CPU Caddy**

Stores CPU underneath work surface. Features easy-access slide and swivel action. Adjustable width: 2½” to 8¼”. Adjustable height: 13” to 21”. 100 lb weight capacity.

#ZEDA-CPUU  
$165.00

**Mobile CPU Caddy**

Stores CPU above the floor for easy access. Fits any CPU within a 3½”-8¾” width.

#ZEDA-CPUC  
$99.00

**Locking Casters**

#ZAC3-KE (includes 4 casters)  
$110.00/set of 4

Set of four 3” locking casters. Changes desks into mobile platforms. Easy installation; can be retrofitted. Not recommended for three-legged desks. Add 3” to your desk height!
